COMMENTS ON STATEMENTS OF REASON FOR ALLOWANCE

Sir:

Regarding the Reasons for Allowance (RFA) in the Notice of Allowability mailed on January 26, 2005, while Applicant agrees the claims are patentable over the prior art of record, Applicant does not agree that patentability resides in each feature exactly as expressed in the claims, nor that each feature is required for patentability of each claim. Moreover, pursuant to *Eolas Technologies Inc. v. Microsoft*, 04-1234 (Fed. Cir. March 2, 2005) (Fed. Cir. BBS) "the applicant has no obligation to respond to an examiner's statement of Reasons for Allowance, and the statement of an examiner will not necessarily limit a claim." *Eolas*, at *20. (internal citation omitted).

Respectfully submitted,

Hae-Chan Park
